THE ADVENTURES OF LALI

EROGIRLS

the MILLER STREET photoshoot!

CITY OF CAMBRIDGE

Christina gets pulled to Lali's Bedroom which ended up as the center of all preparations.

erogenesis

Here they are surprised by a sneak photograph while the girls were about to get started on Christina

TANTRIC

erogenesis

Laila was in deep concentration, only noticed the camera now...

Laila can get very engrossed by things, and when she does, the sometimes hums a quiet little tune to herself. She's both cute and creepy. As you know, she is studying to become a forensic scientist.

erogenesis

What, or who, are they all pointing at, I wonder? Hmm...

erogenesis

It looks like Miyu decided to join the fun! And she's ready to go!

TANTRIC DREAM
SEX

All the other girls are relaxed and giggling. She remembers the dude that could feel her heart pounding through her ass...

erogenesis

Laila Boo probably has a plan.

erogenesis

How are those two going to be 'dressed'? I wonder!

erogenesis

These boots?

erogenesis

I think Lali might be trying to distract Xtina a little, relax her a bit by being annoying... right?

erogenesis

Xtina might be a little scared of the heels! Has she ever worn any before?

erogenesis

Xtina on heels...
...wobble, wobble.

erogenesis

Kawaii!! Looks like the Pink Tsunami Brigade is ready to play!

Also: I think Xtina is trying to say: 'I got this.'

erogenesis

It's time!

erogenesis

The girls waddle in and see that the living room is all set up with drapes.

erogenesis

Xtina on the spot, in the spotlights. I was testing a portable LED filler light.

erogenesis

Dancing like this!

erogenesis

Ah well...

erogenesis

Getting there...

erogenesis

Yeah... go on...

erogenesis

I think Xtina is getting lots of compliments from the guys, but when it comes from her sister and Miyu, it might sound sarcastic. She's probably blushing underneath the make-up.

erogenesis

Xtina's reaction to: 'loosen up a bit'. This could be a tipping point, where she's had enough. The pressure might be too much. Maybe the other girls should step in, keep the fun level up? Hm?

erogenesis

Pink Tsunami girls to the rescue...

...and there I suggest perhaps trying out a seductive look... will it work?

erogenesis

Well, maybe it did... but for how long?

erogenesis

Well, I tried.

erogenesis

Did anyone say bootie?

erogenesis

I think the Pink Tsunami Brigade helped a bit!!

- Knock knock!

May I have your attention, please?

erogenesis

Look it! Lali found a wig, and it's given her an idea!

No, no no, noooo!

But willies are a girl's best friend.

erogenesis

A kiss may be grand but it won't say you're meant to...

erogenesis

erogenesis

What's she up to?

erogenesis

Laila Boo being Laila Boo... probably.

erogenesis

The lot of short people, always wanting to get on top of things?

erogenesis

Laila is enjoying the attention. But where's Maria then??

erogenesis

This photoshoot is turning into a fancy-dress party!!

I just summoned an imp, and it ran away. Have you seen it?

erogenesis

Laila did not see that one coming!!

Aha, there you are! You can come down from there now, imp!

erogenesis

Looks like the other girls are finding the little show quite hilarious!

However, does Maria know she's playing with fire?

Yes naughty imp, down you go.

tap tap

erogenesis

Looks like Laila is in a playful mood, no doubt enjoying putting on a show. But what on earth is Xtina talking about???

Lali and I know a perfect place in town for you two to play!

HISS!!

erogenesis

You do realize that we're now going to have to explain how YOU know about that place in town?

Huh?

LOL

erogenesis

Well, Lali asked me to help her with a certain problem, and of course we ended up having to sneak into a BDSM dungeon in town. It was pretty weird...

... but we accomplished our mission!

And there will be a comic about it!

Laila seems to be having fun up there!

Do you really wanna make comics about everything we do?

Believe me,
the shit you girls get up
to is worth telling!!!

Come girls, group photo!

My interpretation:
Rachel & Miyu: Kung fufu!
Maria: Where did your wand go?
Lali: Lalalala...
Errol:
Laila: Kiss my entire ass, the whole ass.
Xtina: omg wtf lel
Julie: Gimme...

I have no idea...!

Laila better not fart though!

erogenesis

Someone came up with the idea to use Lali's Baroque couch/sofa in the shoot.
So the gentlemen get put to work.

erogenesis

Some of you might have seen this one coming from miles away.

erogenesis

A little later...

Ehm...

erogenesis

erogenesis

This girl can code in C++

erogenesis

Maybe a bit too intense for her? Or can Rahil say something to put her at ease?

erogenesis

... well, whatever he said, worked. Or maybe she's teasing him.
Quick, before she breaks out into laughter again. Good thing those DSLRs shoot fast.

erogenesis

I hear you are a computer expert.

I know a thing or two yes.

Like what? What do you do?

I test security systems. I look for weaknesses.

And what do you do when you find one?

I deploy my software, I find the cause of the weakness.

What is the cause usually?

It's usually a hardware problem. Hardware problems are easy to deal with.

What kind of computers are these?

Big, powerful frames... mainframes.

Hmm...
Nikon
erogenesis

Now what are the girls up to?

What are they up to now???

Maybe now
is good time to make some
photos in your room?

Sure.

Is Laila looking for approval,
or is she making sure the camera is rolling?

erogenesis

Laila just calmly enjoying herself.

Girls, let's carry on with the shoot! Clips will join us soon!

erogenesis

erogenesis

I might have tipped him off in advance.

erogenesis

erogenesis
